# User Story

1. As a user, I want to see tiles of games so that I can choose what I want to play.
2. As a user, I want to filter games' tiles by its platform so that I can find my specific game.
3. As a user, I want to select a game to play so that I can know if I like it or not.
4. As a user, I want to select a Pokémon game tile so that I can play the game.
5. As a user, I want to play the Pokémon game on the site so that I can have fun.
6. As a user, I want to add my favorite game to the game collector box so that I can check them quickly.

# Future Improvement

- Enhance My favorite, like add a delete icon
- Improve responsive layout
- Add About
- Add facebook Login
- Add sorting function, like relevance, popularity
- Add a search function to find the game by its name
